

Hello Woolly

created by Paul Daniels
written by Justine Maynard

Hello,

I am Woolly.

I live in a large
Top Hat House in the
grounds of
Puzzleopolis

I love to grow vegetables
in my allotment. My
favourite vegetable is a carrot.

How many carrots
can you find in my
garden?

I love butterflies and I
always have lots of them
fluttering around in my garden.

Can you count all the
blue butterflies?

My garden is very
colourful. It is full of
beautiful flowers.

Can you help me count all
the flowers?

I like sleeping with my
socks on, they keep my
feet very warm.

How many yellow socks
can you count on
my washing line?

I love playing hide and seek.
Can you find me?

I have to deliver these
carrots to Grocer Green
now. Bye bye!
